Andimeshk Pepsi Plant	EPC Project	2,000,000 Euros	Khuzestan	EPC Electrical
Arya Tire Factory	EPC Project	1,000,000 Euro	Kerman	EPC Electrical

# Major Projects – Tabriz Tile

- 2M Euro project delivered in 5 months
- 13800 KVA Diesel Power Plant ( 7 \* 1675 Cummins Power Generation Uk)
- 7 step up Transformers 1600 KVA
- 13 Cells MV Panels for ATS And synchronization Solutions
- 7 Cell LV Panels for 50,50N, 51 and 51N Protections
- Full Synchronization Panel for almost all demanded protections and scenarios

# Major Projects – Alis Power Plant

- 1.2M Euros project delivered in 4 months
- 5000 KVA Diesel Power Plant ( 3 \* 1125 + 1\* 1650KVA)
- 3 step up Transformers 1100 KVA + 1600 KVA Transformer
- 12 Cells MV Panels for ATS And synchronization Solutions
- 4 Cell LV Panels for 50,50N, 51 and 51N Protections
- Full Synchronization Panel for almost all demanded protections and scenarios

# Major Projects – Tehran Pepsi

- 1M Euros project delivered in 4 months
- 4500 KVA Diesel Power Plant ( 4 \* 1125 Perkins Uk)
- 4 step up Transformers 1100 KVA
- 10 Cells MV Panels for ATS And synchronization Solutions
- 4 Cell LV Panels for 50,50N, 51 and 51N Protections
- Full Synchronization Panel for almost all demanded protections and scenarios

# Major Projects – Mashad Pepsi

- 0.8M Euros project delivered in 4 months
- 3900 KVA Diesel Power Plant ( 2 \* 1125 + 1\* 1650 KVA Perkins Uk + Old Dorman DG )
- 3 step up Transformers 1100 KVA + 1 \* 1600 KVA transformer
- 13 Cells MV Panels for ATS And synchronization Solutions
- 4 Cell LV Panels for 50,50N, 51 and 51N Protections
- Full Synchronization Panel for almost all demanded protections and scenarios

# Major Projects – Tehran Coca Cola

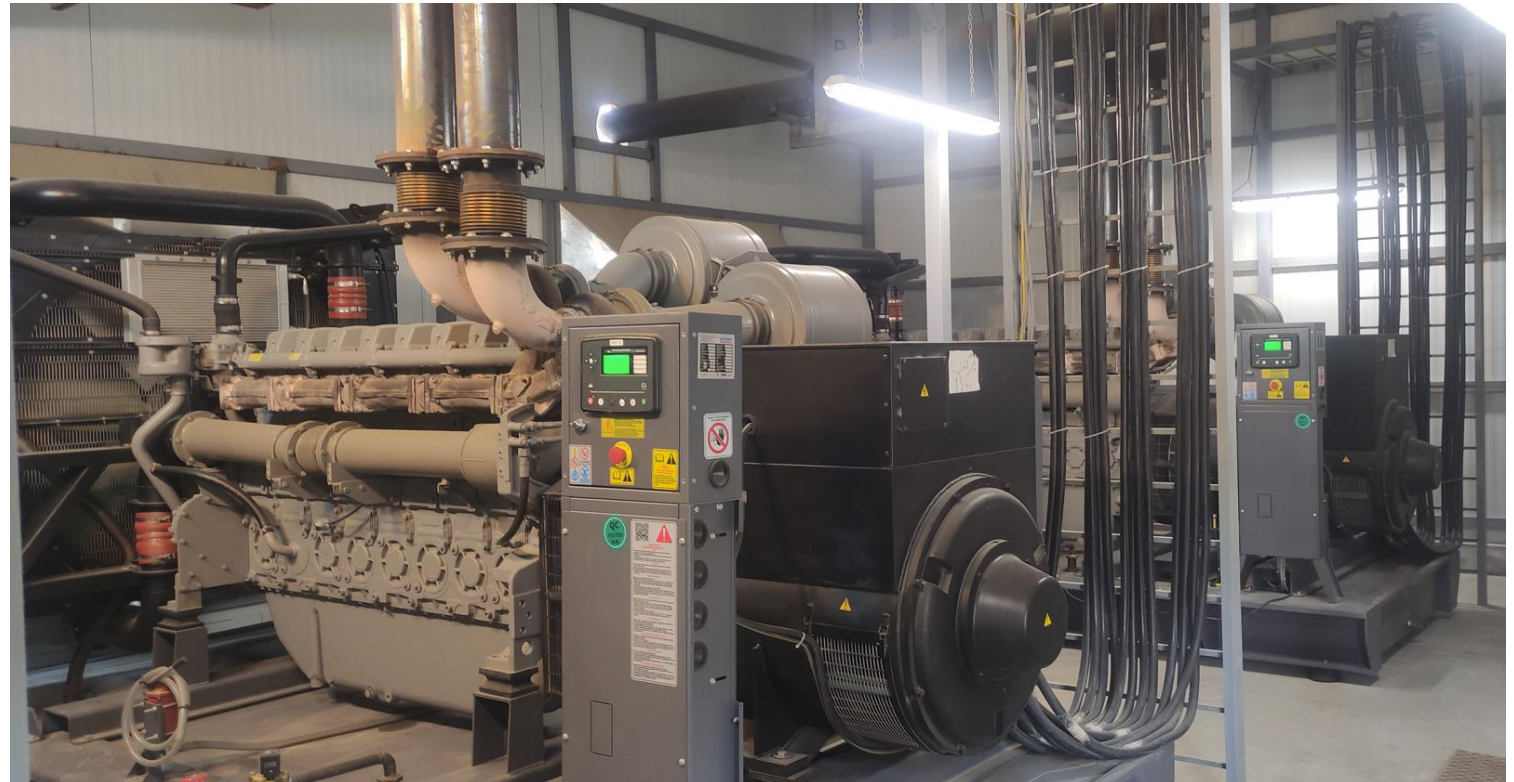

- 0.5M\$ project delivered in 3 months
- 2250 KVA Diesel Power Plant ( 2 \* 1125)
- 2 step up Transformers 1100 KVA
- 5 Cells MV Panels for ATS And synchronization Solutions
- 2 Cell LV Panels for 50,50N, 51 and 51N Protections
- Full Synchronization Panel for almost all demanded protections and scenarios

# Major Projects – Tehran Coca Cola

- 0.5M\$ project delivered in 3 months
- 2250 KVA Diesel Power Plant ( 2 \* 1125)
- 2 step up Transformers 1100 KVA
- 5 Cells MV Panels for ATS And synchronization Solutions
- 2 Cell LV Panels for 50,50N, 51 and 51N Protections
- Full Synchronization Panel for almost all demanded protections and scenarios
